

JOB SCOPE OF WORK

Kaw Nation Inspection & Bid Proposal

The Kaw Nation is requesting qualified contractors to inspect and build a pond at the designated Kaw Nation property.

Scope of Work

1. Inspect the pond site. Test dig, if needed.
2. Provide a written bid for the pond build.
3. The bid should include all costs necessary to complete the proposed work, including labor, materials, removal/disposal of exiting trees, cleanup, and any other costs necessary to complete the project.
4. The contractor must list the warranty information.
5. Provide W9 and Insurance Verification.
6. Provide before and after photos of the pond.

For any inquiries and to arrange a site visit, please use the following email addresses.

All bids must be submitted to the specified email addresses by the deadline of:
OCTOBER 16th, 2026
